

ABM Can Do That

Facility Solutions for Industrial & Manufacturing Companies

Your built environments play a key role in keeping you ahead of the competition. Your whole operation, from the production floor to the front office, needs a facility services partner that lives up to your company's own standards for cleanliness, safety, and operational excellence. When you streamline from standalone to integrated services, your operation can benefit from increased efficiency, greater savings, and a stronger partner relationship.

ENGINEERING

On-site engineers and handyman services. Preventative maintenance. HVAC and mechanical solutions. Plumbing, carpentry, and locksmithing. Powered industrial truck operations and maintenance.

ELECTRICAL & LIGHTING

Repairs, replacements, retrofits, and upgrades. High efficiency lighting improvements. Testing and solutions for low to high voltage.

CLEANING

Controlled environment cleaning. Hard surface floor care. Carpet and upholstery cleaning. Waste and recycling programs. Office, lobby, and breakroom cleaning. Glass and window maintenance.

PLANT SANITATION

Heavy machinery cleaning. Floor scrubbing. Conveyor systems.

GENERAL LABOR & STAFFING

Production and makeup area. Wrapping and shipping. Mailroom support. Seasonal staffing.

LANDSCAPE & GROUNDS

Maintenance, design, installation, and renovation. Irrigation installation and maintenance. Seasonal floral programs.

SPECIALTY SERVICES

Concierge services. Parking lot striping and sweeping. Painting. Pressure washing. Construction cleanup. Tile and grout cleaning. Other project-based work available upon request.

ABM provides facility staffing solutions for efficiency.
