ABM EnhancedClean™ Program Provides Roadmap for Businesses Getting Back to Work

August 4, 2020

NEW YORK, Aug. 04, 2020 (GLOBE NEWSWIRE) – [ABM \(NYSE: ABM\)](#), a leading provider of facility solutions, announced that its [EnhancedClean™](#) program ("EnhancedClean™") is now available nationwide. Through this program, ABM offers peace of mind to clients and their employees, and health and safety benefits for the public.

EnhancedClean is a three-step approach that delivers healthy spaces with a certified disinfection process backed by experts. It is designed to help clients return to their facilities safely, navigate change and deliver assurance to their employees, customers and the public by demonstrating trustworthy cleaning and disinfection. The program includes consistent intervals of frequent high-touch point and broad disinfection, delivered by certified disinfection specialists.

"As states continue to reopen and try to stay open, effective virus protection is essential to helping people feel confident returning to offices, schools, airports and other public spaces. Facilities managers must demonstrate that they are doing everything they can to safeguard the health of their employees, tenants and visitors. EnhancedClean helps them do that," said Rene Jacobsen, Chief Facilities Services Officer at ABM. "The EnhancedClean program is highly visible, from signage the moment you enter the building, to certified

Meeting Content Flow

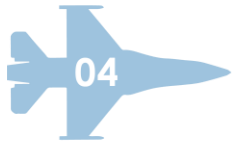

Keynote Speaker: Lt. Col Waldo Waldman will share his experience and expertise in what One Team + One Mission means to him

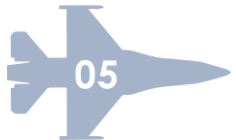

Executive Leadership Team: Members from the ELT will discuss our path moving forward, our culture and importance of One Team

Recognition: We will recognize the significant achievements of this year's award winners

Informative Content: Provide valuable training content and important updates on current enterprise initiatives

Breaks: Several scheduled breaks are included throughout the day

Moment for Safety

Importance of Wearing a Face Covering:

- Reduce spread of the virus
- Help protect others including our team members, clients, and family
- Lessen chance for self exposure
- Reinforces positive habits
- It can save lives
